

# 10 Reasons to Buy A Midbrook Steel Building

## ✓ Excellence in product design

Our flagship product the fully bolted cold rolled system – the most comprehensive cold rolled building in the UK market place, professionally designed and rapidly becoming a leading UK product in this sector.

## ✓ Flexibility in design

We have the flexibility to supply traditional hot rolled structures as well as our market leading cold rolled portal framed designs.

## ✓ Flexibility in dealing with a broad customer base

Our business is structured to deal efficiently and effectively with each and every enquiry, whether providing a small domestic garage or dealing with a large blue chip company you can be assured we will have the correct procedures in place to tailor our package to suit your needs and to comply with your requirements.

## ✓ Expertise in groundworks to help with your project

In the majority of cases we will supply our customers with a concrete slab to ensure that the building will fit perfectly. No confusion or issues with third parties, our team of experienced groundworkers will ensure a smooth process.

## ✓ Much more than a building

If you are buying a building like this for the first time it is not always as straight forward as it may seem that is why you may need help and we are proud to offer a fantastic level of support to help you.

Help with Planning Applications, Building regulations, construction of concrete slabs, supply & fit of buildings, mezzanine floors and a wide range of Construction Services form the core of our product offerings.

## ✓ An experienced team dedicated to serve its customers

Midbrook offers time served tradesman to erect our buildings, and experienced office staff with over 50 year's experience in the construction industry to ensure your project runs smoothly.

## ✓ Convenient location and show buildings on display

Based centrally in Derbyshire we are ideally located to be able to offer our wide range of services competitively on a Nationwide basis. Why not pay a visit to our headquarters to see for yourself a collection of our buildings.

## ✓ CHAS and Constructionline affiliated company

Midbrook Buildings is a member of CHAS and Constructionline ensuring construction quality and providing you with reassurance.

## ✓ Customer satisfaction and recommendations

Our customers tell us that they would be delighted to show off their building to any potential customers. We can arrange visits to customer buildings, provide you with completed questionnaires from our customers, to ensure you have peace of mind that you are dealing with the right company.

## ✓ A small family run business that cares

We are not tied to a distribution network or operate as a middleman, we deal directly with our supply chain, and design a fantastic range of steel framed building products to produce a comprehensive package to ensure that the customer benefits from an outstanding level of service.
